

Strictly Private and Confidential Bursary Application Form

Eligibility Guidelines

This application form is for children with autism whose families wish for them to benefit from an Applied Behavioural Analysis (ABA) programme. The Playhouse Foundation is offering bursaries to fully or partially fund Hampshire based families with children of either 2 or 3 years old. All our families are means-tested and are not to be currently receiving an ABA programme.

Please note that a diagnosis is not essential, as our trained consultants are able to assess the child prior to a completed diagnosis.

Early Intensive Behavioural intervention is an educational programme based on ABA for young children with autism. Parents of successful applicants will be expected to demonstrate commitment to the programme. They must make available one clean living room dedicated to the programme. They will be responsible for recruiting their own tutors and timetabling and fully participate at fortnightly team meetings.

It is anticipated that parents will use the opportunity provided by the ABA programme, enabled with funding provided by The Playhouse Foundation, to proactively gather evidence to try to secure an Educational Health Plan for their child by the end of the first year of the programme. The Trustees cannot guarantee any funding beyond the end of year one of the programme.

The Playhouse Foundation Trustees require parents applying for means tested bursaries complete the application form and provide documentary proof of income, such as a P60 or self-employed tax return. The Trustees also ask for proof of savings and capital assets including details of monthly mortgage or rental payments. The Trustees assess eligibility based on household income, but will make some adjustment to allow for other dependent children. In addition, parents are asked to submit any professional assessments that may have been carried out in relation to their child's autism to enable the Trustee's to assess needs. Parents are

asked to declare that the information they are providing is both accurate and complete. If the information provided is subsequently discovered to be false or misleading, The Playhouse Foundation Trustees reserve the right to withdraw the means tested ABA bursary.

Having returned the completed application form, one of the Trustees will be in contact via the phone to conduct an informal interview. In addition, families shortlisted may require a home visit by one of our consultants to assess the child's needs in more detail.

Before completing this application, please read and sign the declaration notes on pages 10 and 11.
